

## BREAKFAST MEETING

*Alabama AGC Building – Conference Room 1*

*Thursday, July 31, 2014, 7 am – 8 am*

### *“Lessons from a Leader”*

According to an article recently published in [The Birmingham News](#), Miller Gorrie made a name for himself in the construction industry and within the business community when Mr. Gorrie purchased a company and its name, creating what would become Brasfield & Gorrie, LLC. Fifty years later, Brasfield & Gorrie has transitioned from its first project valued at \$475 to managing projects today with values in excess of \$500 million. Throughout the company’s history, Brasfield & Gorrie has been an influential company active within the construction industry and a valued member of Alabama AGC. Come spend an hour with an industry leader as he shares words of wisdom and stories of the past as the YCF conducts a Question & Answer Session with Mr. Miller Gorrie, Chairman of Brasfield & Gorrie, LLC. Join us for an experience we can all learn from - Invite a guest as well!
