### **2019 Scholarship Program**

#### **Evaluation**

All applications will be reviewed by the Scholarship Committee. The committee will submit its recommendations to the SEAoAL Board of Directors. The intent of the scholarship is to encourage structural engineers to study and practice Structural Engineering in the State of Alabama. Preference will be given to applicants who best demonstrate this intention.

#### **Consideration will be given to the following:**

- Academic performance
- Dedication to the advancement of Structural Engineering
- Intended use of scholarship funds

The committee may recommend more than one recipient or may recommend that no award be made in a particular year if no outstanding applications are received.

#### **Notification**

Award Recipients will be notified no later than May 31, 2019, by written letter. Multiple scholarships may be awarded in amounts determined by the Board of Directors. Funds will be divided by the number of academic terms for the year and dispersed at the beginning of each term directly to the academic institution.

#### **Stipulations of Second Disbursement**

1. Scholarship winners must submit an official transcript with fall semester grades.
2. Fall semester transcript must reflect a GPA of 3.0 or higher.
